

VOLUNTEER OPPORTUNITIES

A Promising Future

A Promising Future casts a vision for our high school students and young adults that they can achieve their goals and dreams. Through a custom-written, evidence-informed curriculum, The Diamond Standard, A Promising Future promotes positive youth development, social and emotional learning, life-skills education and healthy relationship cultivation. The team provides classroom instruction, parent workshops and training for local youth-serving professionals.

Instructor Aide

Assist the Lead Instructor with classroom set-up in a local high school, develop relationships with students and help them stay on task.

Client Services

Through non-judgmental, compassionate care and medically-accurate education, our Client Services team supports women and men faced with a life-altering pregnancy decision or compromised sexual health.

24-Hour Helpline Information Assistance

Listen and assist callers with information about our services after office hours and on weekends. One weeknight and one weekend shift required each month. Training provided.

Client Services Volunteer (Female)

Serve the women who come to our clinics by providing administrative support to the Client Services Directors. Training is provided.

Momma Mentor

Walk with a mom as she enters the journey of motherhood. Provide education and support to help her be the best mother she can be. Mentorship extends from pregnancy until her child is one year of age.

Fatherhood Mentor

Support a male client and help him become an involved, committed and responsible father. Mentorship extends from early pregnancy until his child is one year of age.

Male Client Advocate

Serve the men who accompany their partners by providing a space for them to gather resources and process their role in a pregnancy decision.

Medical

Sonographer

Perform ultrasound scans on pregnant women to determine gestational age, viability and location of the pregnancy. MD, RDMS, NP, RN or DO required. Experience required. Training is provided. Availability is based on need.

STD Clinician

Provide risk assessment and consultation along with a testing and treatment plan and education. MD, PA-C, NP or RN required. Experience required. Training is provided. Availability is based on need.

Ambassadors

Be a part of a group of people who are passionate about the well-being of teens, women and men and want to raise awareness of the programs and services of Alternatives throughout Denver.

High School

Introduce the A Promising Future team to the administration of your local high school.

College

Help our campus liaison share information about Alternatives' resources for pregnant and parent students.

Church

Connect Alternatives to your pastor and ministry support team so we can be a resource to the congregation.

Medical

Advocate for Alternatives in your medical workplace and connect us to other medical providers that you know.

Resource Fairs

Join a team of volunteers who host interactive, information tables at resource fairs throughout the city.

Administrative Support

Office Support volunteers play a key role in helping us carry out our mission by providing important administrative support for successful operations.

Mom & Baby Gift Closet

Sort and organize donated items for distribution to new parents and their babies.

Baby Bottle Banks

Collect and distribute baby bottle banks at churches throughout the Denver area or process and organize bottles in our office.

Office Support

Assist in-office projects like stuffing envelopes, preparing mailings or making phone calls individually or with a small group.

Pick-Ups & Deliveries

Transport donated items to and from our office locations.

Events

Join the steering committee that plans and executes two annual fundraising events; assist with event support; prepare and/or serve meals at trainings and meetings throughout the year.
