

VOLUNTEER POSITIONS

General Volunteer Info

The gift of your time makes such a difference in the lives of the people we serve. To begin the volunteer process with Alternatives, please scan the QR code to submit an interest form and attend a volunteer orientation. At your orientation, you will learn more about our volunteer positions and current openings. An application is required for all positions. You will be sent an online application after you attend an orientation. Trainings for all positions are provided throughout the year.

Client Services

Through non-judgmental, compassionate care and medically-accurate education, our Client Services team supports women and men faced with a life-altering pregnancy decision or compromised sexual health. Training is provided and required for all client service positions.

24-Hour Helpline Information Assistance

Listen and assist callers with information about our services after office hours and on weekends. One weeknight and one weekend shift required each month. Training provided.

Client Services Volunteer (Female) (1-year Commitment - Once a Week)

Serve the women who come to our clinics by providing administrative support to the Client Services Directors. Must be confident using technology.

Momma Mentor (2-year Commitment - 2 Times a Month)

Walk with a mom as she enters the journey of motherhood. Provide education and support to help her be the best mother she can be. Mentorship extends from pregnancy until her child is one year of age.

Fatherhood Mentor (2-year Commitment - 2 Times a Month)

Support a male client and help him become an involved, committed and responsible father. Mentorship extends from early pregnancy until his child is one year of age.

Male Client Advocate (2-year Commitment - Once a Week)

Serve the men who accompany their partners by providing a space for them to gather resources and process their role in a pregnancy decision.

Medical

Sonographer (1-2-year Commitment - Weekly Availability)

Perform ultrasound scans on pregnant women to determine gestational age, viability and location of the pregnancy. MD, RDMS, NP, RN or DO required. Experience required. Training is provided. Availability is based on need. 1-2 years of medical experience required and an active license.

STD Clinician (1-2-year Commitment - Weekly Availability)

Provide risk assessment and consultation along with a testing and treatment plan and education. MD, PA-C, NP or RN required. Experience required. Training is provided. Availability is based on need. 1-2 years of medical experience required and an active license.

Administrative Support

Office Support volunteers play a key role in helping us carry out our mission by providing important administrative support for successful operations. All positions have a 1-year commitment. Training is provided. Opportunities are on an "as needed" basis.

Mom & Baby Gift Closet

Sort and organize donated items for distribution to new parents and their babies.

Baby Bottle Banks

Collect and distribute baby bottle banks at churches throughout the Denver area or process and organize bottles in our office.

Office Support
