where every human being is respected and valued

 **Alternatives**
COLORADO

HELLO FROM ALTERNATIVES

You may have questions about who we are and what we do. Here are some answers to common questions and an invitation to advocate for teens, women, men and the preborn.

Who is Alternatives Colorado?

Founded in 1982, Alternatives Colorado serves women, men, and teenagers in the Denver metropolitan area. We operate four clinics that cover the geographical quadrants of Denver and its suburbs. The Inverness clinic and administrative offices (south Denver) are in the same location. We also have clinics in Downtown Denver, Aurora (east Denver), and Arvada (north and west Denver).

We believe that because God is the creator of life, every human life, born and unborn, has inherent value, worth, and dignity. Those we serve need compassionate, non-judgmental care to properly process pregnancy-related decisions.

All the services Alternatives provides are free and confidential.

What is the daily work of Alternatives Colorado?

Alternatives comes alongside those who are experiencing an unplanned pregnancy. We offer medical, counseling and referral services to show people there are alternatives to abortion. We seek to serve people's physical, mental, emotional, and spiritual needs and demonstrate the love of Christ to them. We want them to feel loved and valued. We want them to know there is hope that they can have thriving lives and families.

Alternatives ministers to the whole person. We want to hear people's stories, identify with their situations, love them wherever they are, share the love and hope of Jesus with them, and offer tangible, life-affirming care so they can make informed decisions.

How are you able to provide your services at no cost?

We offer free services because of the financial generosity of individuals, churches, businesses and community members who are passionate about the dignity of human life and inspired to be an active part of positive solutions in the community!

How can I stay updated on your news and events?

Join our online community by scanning the QR code to sign up for our emails.

Scan the second QR code to join our private Facebook group for organizational updates and announcements, opportunities to serve and get involved, upcoming events, and photos highlighting our community impact.

How can I see one of your clinics?

To set up a visit, just scan the QR code and schedule a time to tour our clinic. You will be amazed to see the impact of the contribution of love and support from people just like you!

Let's work together to create a compassionate community of support where we provide tangible resources, meaningful alternatives to abortion and a path of hope for the future.

We look forward to meeting you!

MEDICAL & COUNSELING

Pregnancy Test and Options Consultation

For women and men facing unplanned pregnancies, Alternatives is a place where they can consider life-affirming options before making any decisions. We equip each person with resources and support to choose life. Alternatives will never provide or refer for abortion.

Pregnancy Ultrasound

Registered Diagnostic Medical Sonographers and Registered Nurses provide a pregnancy ultrasound to women with positive pregnancy tests to confirm pregnancy, check fetal heartbeat, determine gestational age, estimate a due date, and educate on fetal development.

STD Testing & Treatment

Our team of licensed, registered nurses work in the care and treatment of women with sexually transmitted diseases and focus on positive sexual health outcomes. Patients are offered additional coaching and education regarding their sexual health.

Counseling After Abortion

For women or men experiencing mixed emotions after an abortion decision, Alternatives provides a safe and trusted place for one-on-one counseling or group support.

RESOURCES & REFERRALS

Medical Resources

The continued sexual health and positive health outcomes for women and children are extremely important to us. Through our Medical Resource guide, we connect clients and patients with medical providers that help them thrive.

Community Resources

Alternatives has an extensive connection to local organizations where our clients and patients can receive additional assistance and support for services.

Case Management

Alternatives staff assess the physical, social, emotional, spiritual, mental and economic needs of each person to create a holistic support plan that includes local community connections that help women achieve their personal and parenting goals.

Adoption Referrals

Alternatives offers education and referrals to licensed agencies that provide individualized adoptions plan and continued counseling related to adoption.

Mom & Baby Gifts

Pregnant women are in need of tangible resources. Through our mom and baby gift program, we accept donations of diapers, wipes, baby clothes and supplies to pass along to moms in our clinics and in the community.

**All services are
free and confidential**

SERVICES & SUPPORT

EDUCATION & MENTORING

Education is a core part of how we empower families. Through personalized mentoring and practical tools, we help moms and dads build confidence, strengthen relationships and prepare for parenthood.

Momma Mentoring

With Momma Mentoring, Alternatives has trained volunteers who come alongside pregnant and parenting moms to equip them for motherhood. Through a caring relationship with their mentor, moms receive pregnancy support, education and helpful advice from another woman who has walked the path of parenting.

Our Momma Mentoring program provides personalized guidance throughout pregnancy and early parenthood. Topics include:

- Healthy pregnancy
- Bonding with baby
- Labor and delivery
- Going home after birth
- Infant care and development
- Communication and co-parenting
- Navigating work and motherhood

Moms also have access to **BrightCourse®** for additional parenting and life-skills education.

Men's Services

For men facing an unplanned pregnancy, Alternatives provides a supportive place to process their situation and consider life-affirming options. Through male staff and interns, we equip each man with the resources and guidance he needs to confidently support his partner and choose life.

Fatherhood Mentoring

Our Fatherhood Mentoring program equips new fathers with the tools, support, and encouragement they need to flourish in their role as dads through our team of trained, male mentors. Our team uses trusted, research-based resources to guide each mentoring relationship, including:

- **Doctor Dad®** — An interactive online course filled with practical, hands-on information to help new dads care for their babies with confidence.
- **BrightCourse®** — A video-streaming library covering parenting, relationships, and essential life skills.
- **24/7 Dad®** — A nationally recognized program designed to strengthen fatherhood skills for every hour of every day.

Through one-on-one support, dads gain knowledge, leadership, and the steady encouragement needed to become strong, engaged fathers.

**All services are
free and confidential**

VOLUNTEER POSITIONS

Together we can change lives and impact generations.

As a volunteer, you will serve alongside staff as a Volunteer Partner to reach our community with the example of Christian love as we seek to meet the physical, emotional and spiritual needs of the men, women and teens we serve.

We look for Volunteer Partners who...

- Have a passion for our Mission and Vision
- Have a calling to work in the Pro-Life Movement
- Possess the heart of a learner
- Seek humility and glorifying God in all that they do

Alternatives sees the value of inviting you, a Volunteer Partner, to contribute in various ways to the glory of God. All positions have a great impact on our work. At Alternatives, we have a passion to place and equip our Volunteer Partners effectively. Scan the QR code to see how your gifts and skills make a life-changing impact.

If you have any questions please reach out!

7-DAY PRAYER GUIDE

The following is a 7-day, at-home guide for you and your family to support the respect and protection of human life through prayer and action. Thank you for uniting with us as we strive to share the love of Christ with the world.

DAY 1 – Lord God, I am taking time today to consider your gift of life to me. I praise you because I am fearfully and wonderfully made. I praise you because I am made in your image. What a sacred gift you have given to me. May I never take this gift for granted. May I be open to sharing with others how they are loved and valued by you, the creator of the universe. Thank you Lord!

DAY 2 – Lord God, I want to understand your heart for all created life. Will you give me a deeper knowledge so that I can love all my brothers and sisters with a more profound love? Help me see every person I talk to today as your creation and speak to them in a way that reflects your love for them.

DAY 3 – Lord God, Today I am thinking about the unborn. They are defenseless and voiceless. Yet their lives are thrown away so easily. Give me the strength to stand up to this tragic loss of life in a peaceful, loving and respectful way. Help me to commit myself to give a voice to the unborn by defending life.

DAY 4 – Heavenly Father, Today I am praying for fathers. I pray that you will lift them up to see their value and the importance of the role you have for them. Lord, I am asking for men who are about to be fathers to seek the help of a mentor or someone who can give them wise counsel stepping into the sacred role of fatherhood.

DAY 5 – Lord God, My prayer today is for women who are facing an unplanned pregnancy decision in the city of Denver. Lord, may they be protected from the cultural narrative about devaluing pregnancy. May your light shine into their hearts for a full understanding of the beautiful life being created inside them. Lord, may they reach out to Alternatives Pregnancy Center for compassionate help and support.

DAY 6 – Lord God, today I am praying for our nation. Lord we know it is only with your help that we will return to a nation that proclaims and lives out liberty and justice for all – not just for some. Lord, may we truly live out Micah 6:8 “to do justice, love mercy and walk humbly with our God.”

DAY 7 – Lord God, there are many women who have made choices about a pregnancy that they regret. Lord, today I am praying for a healing in their hearts. Lord, may they know your loving kindness and their worth as a child of God. May they seek help for any physical, mental or emotional health issues lingering from a past abortion decision so they can lead the abundant life you have planned for them.
