

14-DAY PRAYER GUIDE

The following is a 14-day, at-home guide for you and your family to support the respect and protection of human life through prayer and action. Thank you for uniting with us as we strive to share the love of Christ with the world.

DAY 1 – Lord God, I am taking time today to consider your gift of life to me. I praise you because I am fearfully and wonderfully made. I praise you because I am made in your image. What a sacred gift you have given to me. May I never take this gift for granted. May I be open to sharing with others how they are loved and valued by you, the creator of the universe. Thank you Lord!

DAY 2 – Lord God, I want to understand your heart for all created life. Will you give me a deeper knowledge so that I can love all my brothers and sisters with a more profound love? Help me see every person I talk to today as your creation and speak to them in a way that reflects your love for them.

DAY 3 – Lord God, Today I am thinking about the unborn. They are defenseless and voiceless. Yet their lives are thrown away so easily. Give me the strength to stand up to this tragic loss of life in a peaceful, loving and respectful way. Help me to commit myself to give a voice to the unborn by defending life.

DAY 4 – Heavenly Father, Today I am praying for fathers. I pray that you will lift them up to see their value and the importance of the role you have for them. Lord, I am asking for men who are about to be fathers to seek the help of a mentor or someone who can give them wise counsel stepping into the sacred role of fatherhood.

DAY 5 – Lord God, My prayer today is for women who are facing an unplanned pregnancy decision in the city of Denver. Lord, may they be protected from the cultural narrative about devaluing pregnancy. May your light shine into their hearts for a full understanding of the beautiful life being created inside them. Lord, may they reach out to Alternatives Pregnancy Center for compassionate help and support.

DAY 6 – Lord God, today I am praying for our nation. Lord we know it is only with your help that we will return to a nation that proclaims and lives out liberty and justice for all – not just for some. Lord, may we truly live out Micah 6:8 “to do justice, love mercy and walk humbly with our God.”

DAY 7 – Lord God, there are many women who have made choices about a pregnancy that they regret. Lord, today I am praying for a healing in their hearts. Lord, may they know your loving kindness and their worth as a child of God. May they seek help for any physical, mental or emotional health issues lingering from a past abortion decision so they can lead the abundant life you have planned for them.

DAY 8 – Lord God, today I am praying for a culture of life to be revived in the city of Denver. Lord may we see every life with the inherent worth and dignity that you do. Lord give us eyes to see how precious each person – born and preborn – is to you. The value of the one Lord should be on our hearts each day – starting with today.

DAY 9 – Heavenly Father, We pray for your love and peace to be demonstrated through us to this hurting world. Whether I am at school, work or in a social setting, may your light shine through me. If I disagree with someone, give me a spirit of humility to listen first and then speak words of life and restoration.

DAY 10 – Lord God, we believe in your resurrection. We know you have conquered death. Thank you, Lord, for loving us enough to suffer and die on our behalf so that we may live forever with you. Lord, thank you for giving me an eternal perspective.

DAY 11 – Lord God, help me today to see all the unique qualities of each person. Your Word tells of our value to you and the plan for each of us. May I value every person as you do.

DAY 12 – Lord God, today I mourn the loss of preborn lives. I grieve for them, their mothers and fathers. What a profound sadness.

DAY 13 – Heavenly Father, today I pray for hope and joy to be restored to any who lost a loved one last year. Life is so precious and fleeting. May their memory be close to their hearts always and may we love those around us each day.

DAY 14 – Lord God, today I pray for children of all ages – born and preborn. I pray the scripture from Matthew 19:14, “*Let the little children come to me, for to such belongs the kingdom of heaven.*” I look forward to the day when abortion is unnecessary because all children are loved and cared for with the heart of Jesus.
